THE AMERICAN JOURNAL OF MATERNAL/CHILD NURSING

Index to Volume 9

January to December 1984

Frederick W. Pattison, Indexer

SUBJECT INDEX

A

- Accident Prevention**
 - Fireman red says don't 200
- Acquired Immunodeficiency Syndrome**
 - Managing AIDS in children (Boland, Gaskill) 384
- Adolescence**
 - Managing scoliosis: fashions for the body and mind (Davis, Lewis) 186
- Adolescent Mothers See Parents, Adolescent**
- AIDS See Acquired Immunodeficiency Syndrome**
- American Nurses' Association**
 - Standards of maternal and child health nursing practice redefined 202
- Anesthesia, Obstetrical**
 - Managing pain responses to cesarean childbirth (Fink, Chally) 270
- Apnea**
 - Discharge teaching tool for home monitoring of apnea (list) 179
 - Discharge tool for teaching parents to monitor infant apnea at home (Graber, Balas-Stevens) 178
- Attachment**
 - Assessing early father-infant attachment (Wieser, Castiglia) 104
 - Does a mother's knowledge of fetal gender affect attachment? (Grace) 42
- Attitude**
 - Male maternity nurses: the patient's perspective (Myrland) 373
 - Mothers' attitudes regarding health care for their children (Linley) 37
- Automobiles**
 - Children still aren't being buckled up (Nachem, Bass) 320

B

- Birth Centers**
 - In-hospital alternative birth centers: where do we go from here? (May, Dittola) 48
- Birth Defect**
 - Acquainting a new mother with her less-than-perfect baby (Hall, Stoops) 136
 - PKU alert (Germann) 212
- Blood Glucose**
 - Monitoring diabetic children's blood-glucose levels at home (Loman, Galgani) 192
- Body Image**
 - Managing scoliosis: fashions for the body and mind (Davis, Lewis) 186
- Body Weight**
 - Pregnancy and the underweight women (Leonard) 331
- Bonding**
 - Does a mother's knowledge of fetal gender affect attachment? (Grace) 42
- Brain Neoplasms**
 - Childhood brain tumors: a special nursing challenge (Mau) 123
 - Common childhood brain tumors (chart) 127
- Breast-Feeding**
 - Assessing and managing pain in breast-feeding mothers (Borovie) 272
 - Training neonates to suck correctly (Marmet, Shell) 401
- Bulletin Board (Department)**
 - Books for children on child abuse 288

- Calling all women Vietnam war veterans: 421
- Childbirth education textbook for the blind 144
- Continuing education program for clinical nurse specialists 143
- Cookbook for a cause 144
- Distinguished service to be rewarded (MCN) 143; 288; 422
- Faulty cribs cause death 350
- Fireman red says don't 200
- For teenage parents 204
- Funds available for teenage pregnancy programs 288
- Helps parents understand genetic disorders 204
- If food is a problem 150
- More than fun 202
- National birth center association launched 150
- New approach to health education for adolescents 143
- New tube-feeding guide 143
- Newsletter for siblings of handicapped children 144
- Promotes hospice support for children 143
- Remote control care for pregnant diabetic women 204
- Sex after childbirth 204
- Standards for school nursing practice 143
- Standards of maternal and child health nursing practice redefined 202
- When infants need home oxygen therapy 202

C

- Camping**
 - Primary prevention in a camp setting (Czupryna) 197
- Catharsis**
 - Comprehensive strategy for managing encephalitis (Crowley) 395
- Cesarean Section**
 - Expectations for childbirth versus actual experiences: the gap widens (Sandelowski) 237
 - Managing pain responses to cesarean childbirth (Fink, Chally) 270
- Chickenpox**
 - Prevention and management of varicella in high-risk individuals (Tafuro, Gurevich) 314
- Child**
 - Comprehensive strategy for managing encephalitis (Crowley) 395
 - Diagnosing and managing type I and type III glycogen storage diseases (Mahoney) 338
- Child Abuse**
 - Books for children on child abuse 288
- Child Abuse, Prevention and Control**
 - Special Feature: Child abuse (Christensen and others) 107; Part 1. An interdisciplinary approach to preventing child abuse (Christensen and others) 108; Part 2. Interventions services help prevent child abuse (Valasek and others) 113
- Child Development Disorders**
 - Screening young children for communication disorders (Biro, Thompson) 410
- Child Health Services**
 - Mothers' attitudes regarding health care for their children (Linley) 37
 - Patriotism in pediatric care (Free) 9
- Child Hospitalized**
 - Childhood brain tumors: a special nursing challenge (Mau) 123
 - Managing AIDS in children (Boland, Gaskill) 384
 - More than fun 202
- Child Passenger Safety**
 - Children still aren't being buckled up (Nachem, Bass) 320
- Children with AIDS**
 - Managing AIDS in children (Boland, Gaskill) 384
- Collective Bargaining**
 - Support equals money—ours! (ed) 303
- Communication**
 - Screening young children for communication disorders (Biro, Thompson) 410
- Community Health Nursing**
 - Continuing education for community health nurses (Adams-Leander, Schlaner, Cunningham) 305
- Computers**
 - More than fun 202
- Concept Formation**
 - Practicing nurse and conceptual frameworks (Avant, Walker) 87
- Constipation**
 - Comprehensive strategy for managing encephalitis (Crowley) 395
- Consumer Participation**
 - In-hospital alternative birth centers: where do we go from here? (May, Dittola) 48
- Continuing Education (Department)**
 - Addison-Wesley manual of nursing practice (Saxton and others) (rev Young) 207
 - Analysis and application of nursing research: parent-neonate studies (Sherwen, Tousse-Weingarten) (rev Cranley) 138
 - Assessive childbirth: the future parents' guide to a positive pregnancy (McKay) (rev Sweet) 64
 - Breastfeeding basics: easy-to-read, easy-to-use directions for the breastfeeding mother (Worth) (rev Smith) 65
 - Child abuse, neglect and deprivation: a handbook for Ontario nurses (Thomas) (rev Manly) 138
 - Child dies: a portrait of family grief (Arnold, Gemma) (rev Traisci-Marandola) 428
 - Communication on the nursing context (Bradley, Edinberg) (rev Portale) 70
 - Contraception: the health provider's guide (Porter, Waite, Holtrop) (rev Archer) 280
 - Coping with caring for sick newborns (Marshall, Korman, Cape) (rev Henly) 68
 - Infant colic: what it is and what you can do about it (Farrah) (rev McCarthy) 64
 - Introduction to human development and health issues (Dennis, Hassol) (rev Bayne) 64
 - Maternity nursing: theory to practice (Butnarescu, Tillotson) (rev Hanson) 280
 - Measurement in nursing research (Abeltz, Strickland, Lenz) (rev Weiner) 425
 - Mothers and their adopted children: the bonding process (Smith, Sherwen) (rev Walker) 66
 - Nurse-midwifery: health care for women and newborns (Adams) (rev Nelson) 425
 - Nurse staffing and patient classification: strategies for success (Lewis, Carini) (rev De Jong) 207
 - Nurses under stress (Shirol and others) (rev Scheiner) 138
 - Nursing assessment: a multidimensional approach (Bellack, Bamford) (rev Knoll) 425
 - Nursing leadership: concepts and practice (Tappen) (rev Keltner) 68
 - Practical guide to breastfeeding (Riordan) (rev Wein) 64
 - Pregnant woman's comfort guide (Jimenez) (rev Goodman) 70

 - Nursing leadership: concepts and practice (Tappen) (rev Keltner) 68
 - Practical guide to breastfeeding (Riordan) (rev Wein) 64
 - Pregnant woman's comfort guide (Jimenez) (rev Goodman) 70

Premature baby book: a parents' guide to coping and caring in the first years (Harrison) (rev Mollard) 280
Preparation of young healthy children for possible hospitalization: the issues (Azamoff) (rev Linthicum) 64
Psychosocial adaptation in pregnancy: assessment of seven dimensions of maternal development (Lederman) (rev Drilling) 280
Whole birth catalog: a sourcebook for choices in childbirth (Ashford) (rev Waring) 282

Contraceptives, Oral

Biphasic oral contraceptives (Sasso) 101

Convulsions

Phenytoin for seizure disorders (Sasso) 279

Cost Control

New frontier: cost containment (ed) 7

Cribs

Faulty cribs cause death 350

Criticism

Critiquing: to help or hinder? (ed) 165

D

Diabetes Mellitus

Monitoring diabetic children's blood-glucose levels at home (Loman, Galgen) 192

Diet Therapy

Pregnancy and the underweight woman (Leonard) 331

Differential Validity See Test, Validity

Drug Therapy

Captopril for severe neonatal hypertension (Sasso) 55

Commonly used drugs for managing pain in critically ill children (chart) 256

Dysmenorrhea

Prostaglandin inhibitors for primary dysmenorrhea (Sasso) 177

E

Editorials

Critiquing: to help or hinder? 165

Gift to others: gifts to ourselves 371

Let's celebrate 65

New frontier: cost containment 7

Pain: a relentless nursing problem 235

Support equals money—ours! 303

Education, Nursing, Continuing

Acute and chronic pain in maternal-child health (Feet-ham) 249

Continuing education for community health nurses (Adams-Leander, Schlaner, Cunningham) 305

Electrocardiogram

Transcutaneous oxygen monitoring for sick neonates (Cohen) 324

Encopresis

Comprehensive strategy for managing encopresis (Crowley) 395

Equipment and Supplies, Hospital

Transcutaneous oxygen monitoring for sick neonates (Cohen) 324

Exercises, Physical See Exertion

Exertion

Pregnant and physically fit, too (Kettler, Shelton) 120

Experimental Design See Research Design

F

Failure To Thrive

Assessment of failure to thrive (chart) 33

Common causes of organic failure to thrive and appropriate screening tests (list) 35

Taking another look at failure to thrive (Yoon) 32

Family

Child at home with chronic pain (Ahmann) 264

Intensive services help prevent child abuse (Velasquez, Christensen, Schommar) 113

Mother-baby unit: the concept works (Mansell) 132

Father-Child Relations

Assessing early father-infant attachment (Wieser, Castiglia) 104

Fathers

First-time fathers: a preliminary study (Jones) 103

Fatty Liver

Acute fatty liver disease of pregnancy (Balsor) 188

Fetus

Does a mother's knowledge of fetal gender affect attachment? (Grace) 42

Financial Support

Support equals money—ours! (ed) 303

G

Genetics

Does a mother's knowledge of fetal gender affect attachment? (Grace) 42

Helps parents understand genetic disorders 204

Glycogenosis

Diagnosing and managing type I and type III glycogen storage diseases (Mahoney) 338

H

Hearing

Diagnosing and treating otitis media with effusion (Adams, Evans, Roberts) 22

Hearing Disorders

Screening young children for communication disorders (Bro, Thompson) 410

Home Care Services, Maternal-Child

Continuing education for community health nurses (Adams-Leander, Schlaner, Cunningham) 305

Hospitals

In-hospital alternative birth centers: where do we go from here? (May, Dittels) 48

Hypertension

Pregnancy and the underweight woman (Leonard) 331

I

Immunization

Betsy Brave gets shot (Bricker) 287

Immunoglobulins

Prenatal use of Piv (D) immune globulin (Hammer, Bower, Messing) 29

In Brief (Department)

Acquainting a new mother with her less-than-perfect baby (Hall, Stoops) 136

Betsy Brave gets shot (Bricker) 287

First-time fathers: a preliminary study (Jones) 103

Nutrition screening for preterm and term infants (Morris) 103

Physical assessment by MCH nurses for better health care (Coleman) 212

PKU alert (Germann) 212

Infant, Newborn

Mother-baby unit: the concept works (Mansell) 132

Neonate's response to pain (D'Apolito) 256

Training neonates to suck correctly (Marmat, Shell) 401

Infant, Newborn, Diseases

Phenobarbital for neonatal seizures (Sasso) 347

Transcutaneous oxygen monitoring for sick neonates (Cohen) 324

Infant Nutrition

Nutrition screening for preterm and term infants (Morris) 103

K

Knowledge

Knowledge development (Barnard) 175

L

La Leche League International

Funds advice for teenage pregnancy programs 288

Labor

Squatting: an alternate position for the second stage of labor (McKay) 181

Language Disorders

Screening young children for communication disorders (Biro, Thompson) 410

Learning

Training neonates to suck correctly (Marmat, Shell) 401

M

Maternal-Fetal Exchange

PKU alert (Germann) 212

MCN Keys to Research (Department)

Commonly understood outcomes (Barnard) 99

Determining differences (Barnard) 415

Determining relationships (Barnard) 345

Family as a unit of measurement (Barnard) 21

Knowledge development (Barnard) 175

Planning experiments (Barnard) 247

MCN (Magazine)

Distinguished service to be rewarded 143; 288; 422

Let's celebrate (ed) 65

MCN Pharmacopoeia (Department)

Biphasic oral contraceptives (Sasso) 101

Captopril for severe neonatal hypertension (Sasso) 55

Erythromycin for eye prophylaxis (Sasso) 417

Phenobarbital for neonatal seizures (Sasso) 347

Phenytoin for seizure disorders (Sasso) 279

Prostaglandin inhibitors for primary dysmenorrhea (Sasso) 177

Megacolon

Comprehensive strategy for managing encopresis (Crowley) 395

Money See Financial Support

Monitoring, Physiologic

Discharge teaching tool for home monitoring of apnea (list) 179

Discharge tool for teaching parents to monitor infant apnea at home (Graber, Balas-Stevens) 178

Monitoring diabetic children's blood-glucose levels at home (Loman, Galgen) 192

Transcutaneous oxygen monitoring for sick neonates (Cohen) 324

Mother-Child Relations

Acquainting a new mother with her less-than-perfect baby (Hall, Stoops) 136

Does a mother's knowledge of fetal gender affect attachment? (Grace) 42

Mothers

Mother-baby unit: the concept works (Mansell) 132

Mothers' attitudes regarding health care for their children (Linsley) 37

Special Feature: Child abuse (Christensen and others) 107; Part 1. An interdisciplinary approach to preventing child abuse (Christensen and others) 108; Part 2. Intensive services help prevent child abuse (Velasquez and others) 113

N

Neonates (Sick) See Infant, Newborn, Diseases

Nurses (Image)

Gifts to others: gifts to ourselves (ed) 371

Nurses, Male

Male maternity nurses: the patient's perspective (My-nough) 373

Nursing Assessment

Assessing and managing pain in breast-feeding mothers (Borovics) 272

Assessing early father-infant attachment (Wieser, Castiglia) 104

Assessment of failure to thrive (chart) 33

Child at home with chronic pain (Ahmann) 264

Childhood brain tumors: a special nursing challenge (Mau) 123

Discomfort and pain during pregnancy (Horan) 267

Factors affecting the management of pain (Scott, Rigney-Radford) 253

Factors to consider when assessing responses to pain (Sheredy) 250

Management of pain in critically ill children (Zollo) 258

Neonate's response to pain (D'Apolito) 256

Nutrition screening for preterm and term infants (Morris) 103

Physical assessment by MCH nurses for better health care (Coleman) 212

Recovery room care for the child in pain (Kline) 261

Taking another look at failure to thrive (Yoon) 32

Variables affecting pain responses (chart) 251

Nursing Care

Child at home with chronic pain (Ahmann) 264

Discomfort and pain during pregnancy (Horan) 267

Managing pain responses to cesarean childbirth (Fink, Chelly) 270

O

Obstetrical Nursing

Male maternity nurses: the patient's perspective (My-nough) 373

Ophthalmia Neonatorum

Erythromycin for eye prophylaxis (Sasso) 417

Otitis Media

Diagnosing and treating otitis media with effusion (Adams, Evans, Roberts) 22

Otoscopic Examination

Otoscopic examination: a delicate procedure 23

Oxygen

Transcutaneous oxygen monitoring for sick neonates (Cohen) 324

Oxygen Inhalation Therapy

When infants need home oxygen therapy 202

P

Pain

Acute and chronic pain in maternal-child health (Feet-ham) 249

Assessing and managing pain in breast-feeding mothers (Borovics) 272

Discomfort and pain during pregnancy (Horan) 267

Factors to consider when assessing responses to pain (Sheredy) 250

Management of pain in critically ill children (Zollo) 258

Managing pain responses to cesarean childbirth (Fink, Chelly) 270

Neonate's response to pain (D'Apolito) 256

Pain: a relentless nursing problem (ed) 235

Physiology of pain 252

Recovery room care for the child in pain (Kline) 261

Variables affecting pain responses (chart) 251

Pain, Drug Therapy

Commonly used drugs for managing pain in critically ill children (chart) 256

Factors affecting the management of pain (Scott, Rigney-Radford) 253

Pain, Intractable

Child at home with chronic pain (Ahmann) 264

Pain, Prevention and Control

Nonpharmacological approaches to relieving pain and discomfort during pregnancy (Brucker) 390

Parenting

Taking another look at failure to thrive (Yoon) 32

Parents

Discharge tool for teaching parents to monitor infant apnea at home (Graber, Balas-Stevens) 178

Parents, Adolescent

For teenage parents 204

Paternalism

Paternalism in pediatric care (Frie) 9

Patient Care Team

Special Feature: Child abuse (Christensen and others) 107; Part 1. An interdisciplinary approach to preventing child abuse (Christensen and others) 108; Part 2. Intensive services help prevent child abuse (Velasquez and others) 113

Patient Education

Discharge tool for teaching parents to monitor infant apnea at home (Graber, Balas-Stevens) 178

Discharge teaching tool for home monitoring of apnea (list) 179

Pearson's Product Moment Correlation

Determining relationships (Barnard) 345

Pediatric Intensive Care Units

Management of pain in critically ill children (Zollo) 258

Phenobarbital

Phenobarbital for neonatal seizures (Sasso) 347

Phenyketonuria

PKU alert (Germann) 212

Phenytoin

Phenytoin for seizure disorders (Sasso) 279

Physical Assessment

Physical assessment by MCH nurses for better health care (Coleman) 212

Physical Fitness

Pregnant and physically fit, too (Ketter, Shelton) 120

Physiology
Physiology of pain 252

Postnatal Care
Determining use of Rh₀ (D) immune globulin (Hammer, Bower, Messina) 29
Sex after childbirth 204

Power
Support equals money—ours! 303

Pregnancy
Acute fatty liver disease of pregnancy (Balsar) 188
Discomfort and pain during pregnancy (Horan) 267
Expectations for childbirth versus actual experiences: the gap widens (Sandelowski) 237
In-hospital alternative birth centers: where do we go from here? (May, Ditola) 48
Nonpharmaceutical approaches to relieving pain and discomfort during pregnancy (Brucker) 390
Pregnant and physically fit, too (Ketter, Shelton) 120
Pregnancy and the underweight woman (Leonard) 331
Prevention and management of varicella in high-risk individuals (Tafuro, Gurevich) 314

Pregnancy in Adolescence
Funds available for teenage pregnancy programs 288

Pregnancy in Diabetes
Remote control care for pregnant diabetic women 204

Prenatal Care
Prenatal use of Rh₀ (D) immune globulin (Hammer, Bower, Messina) 29

Primary Prevention
Primary prevention in a camp setting (Czapryna) 197

Professionally Speaking (Department)
Boarding a sibling on a pediatric unit (Staab, Zenewicz) 167
Continuing education for community health nurses (Adams-Leander, Schliker, Cunningham) 305
Expectations for childbirth versus actual experiences: the gap widens (Sandelowski) 237
Male maternity nurses: the patient's perspective (Mynaugh) 373
Paternalism in pediatric care (Free) 9

Practicing nurse and conceptual frameworks (Avant, Walker) 87

Prostaglandin Inhibitors
Prostaglandin inhibitors for primary dysmenorrhea (Sasso) 177

Protective Devices
Children still aren't being bucked up (Nachem, Bass) 320

R

Recovery Room
Recovery room care for the child in pain (Kline) 261

Research
Family as a unit of measurement (Barnard) 21
Research Design
Commonly understood outcomes (Barnard) 99
Knowledge development (Barnard) 175
Planning experiments (Barnard) 247

Research, Nursing
Determining relationships (Barnard) 345
Does a mother's knowledge of fetal gender affect attachment? (Grace) 42

Rh-HR Blood Group System
Prenatal use of Rh₀ (D) immune globulin (Hammer, Bower, Messina) 29

Rooming in Care
Boarding a sibling on a pediatric unit (Staab, Zenewicz) 167

S

Sampling Studies
Determining differences (Barnard) 415

School Nursing
Betsy Brave gets shot (Bricker) 287

Scoliosis
Managing scoliosis: fashions for the body and mind (Davis, Lewis) 186

Seizures
Phenobarbital for neonatal seizures (Sasso) 347

Self-Concept
Gifts to others: gifts to ourselves (ed) 371

Sex
Sex after childbirth 204

Sibling Relations
Boarding a sibling on a pediatric unit (Staab, Zenewicz) 167

Speech Disorders
Screening young children for communication disorders (Biro, Thompson) 410

Squatting
Squatting: an alternate position for the second stage of labor (McKay) 181

Success
Gifts to others: gifts to ourselves (ed) 371

Sucking Behavior
Training neonates to suck correctly (Marmet, Shell) 401

T

Teaching
Discharge tool for teaching parents to monitor infant apnea at home (Graber, Balas-Stevens) 178

Teats, Validity
Determining differences (Barnard) 415

Tongue Habits
Training neonates to suck correctly (Marmet, Shell) 401

V-W

Varicella-Zoster Virus
Prevention and management of varicella in high-risk individuals (Tafuro, Gurevich) 314

Women's Health
Expectations for childbirth versus actual experiences: the gap widens (Sandelowski) 237
Male maternity nurses: the patient's perspective (Mynaugh) 373
